CATERING MENU

How all you can eat dinner and sushi works:
1. No sharing between "all you can eat" & "a la carte"
2. Order as much as you like, as often as you like but.. -- we do subcharge for leftovers (can be taken home) this includes nigiri rice balls, sushi pieces, entrees, and appetizers
3. "All you can eat" is for dine-in customers
4. Items will come out in to particular order, we'll serve it as soon as it's ready to maintain freshness, unless requested 5. Additional modifications or substitutions will range from $1-$5 extra
6. "All you can eat" last seating is 45 minutes before close
7. 20% gratutity is automatic for parties of 5 or more
8. Parties of 5 or more have to choose either all "all you can eat" or all "a la carte"
9. Lastly, enjoy and have a good time *consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness.
